ORCHESTRA Final Event

27/02/2008

1 **Date and place of the Event**

Date: 27/22/2007

Place:

Conference hall of Atos Origin headquarters

Albarracín 25

28037 Madrid (Spain)

2 **Agenda**

2.1 **ORCHESTRA Final Event**

The ORCHESTRA Day will have two sessions:

- Morning Session: all 4 pilots plus a meta-pilot application and the link between ORCHESTRA and ESA's SSE will be presented and demonstrated.
- Afternoon Session: people will continue during the afternoon in the same conference hall in a more informal way. There will be representatives from each pilot for answering questions, providing more detailed information and repeating or extending the demonstrations.
